

...Thus a great and new movement is proceeding and a tremendously increased interplay and interaction is taking place. This will go on until A.D. 2025. During the years intervening between now and then very great changes will be seeing taking place, and at the great General Assembly of the Hierarchy-held as usual every century-in 2025 the date in all probability will be set for the first stage of the externalisation of the Hierarchy. The present cycle (from now until that date) is called technically "The Stage of the Forerunner". It is preparatory in nature, testing in its methods, and intended to be revelatory in its techniques and results. You can see therefore that Chohans, Masters, initiates, world disciples, disciples and aspirants affiliated with the Hierarchy are all at this time passing through a cycle of great activity.

In the adjustment necessitated by the rapidly advancing alignment, the Members of the Hierarchy are fitting Themselves for the objective work of public expression. This entails far more difficulty than you might imagine or anticipate, because it entails the development of that form of "resistance to the pull of the lower vibration" of which you can know nothing, for that lower vibration is a necessary aspect of your normal expression - little as you may like to realise this. You need to know that there is nothing in the Masters or higher initiates which can respond to any vibration of this nature. Though They cannot absorb it or react to it or re-develop it again, it can cause Them the acutest discomfort and pain; that is the reason why the Son of God was called in the Old Testament a "man of sorrows and acquainted with grief".

This did not in reality refer to His sufferings for poor miserable humanity (as orthodox theology so selfishly interprets it) but to the fact that He had to submit Himself to contact with humanity. The Hierarchy is therefore, along all lines (many of which I may not indicate or upon which I may not enlarge) , preparing Itself for the experience of physical manifestation; It is also endeavouring to "create" the needed responsive apparatus which will be of such a nature that Members of the Hierarchy may function with the minimum of difficulty on earth and will experience the least possible measure of handicap; They will thus be enabled to give full time and attention to the work done by Them in physical manifestation.

They are endeavouring also to establish a closer telephatic rapport and a more intimate (though strictly impersonal) relationship with Their disciples on all rays, so that there can be a free integrity and one which - no matter what may happen in the three worlds-cannot be disrupted or in any way lessened.

Although for Them no astral plane exists and glamour is entirely non-existent, They have to learn to do most peculiar things: to work on the astral plane (because it exists for humanity and

for the animal kingdom) , to traverse this region of glamour and then to "demonstrate light in dissipating fog" in a manner for which there has hitherto been no call.
