- The Law of Attraction - The Seven Rays

- Second Ray - The Lord of Love - Wisdom, who is the embodiment of pure Love, is regarded by the esotericists as being as close to the heart of the Solar Logos as was the beloved disciple close to the heart of the Christ of Galilee. This Life instils into all forms the quality of love, with its more material manifestation of desire, and is the attractive principle in nature and the custodian of the Law of Attraction which is the life-demonstration of pure Being. This Lord of Love is the most potent of the seven rays, because He is on the same cosmic ray as the solar Deity.

He expresses Himself primarily through the planet Jupiter, which is His body of manifestation...

...the quality that emerges through the process of manifesting, and under the impulse of the divine Life, is love, which functions through the medium of the Law of Attraction with the aim of producing an ultimate synthesis in consciousness. Let us not forget that the objective of our present evolutionary process is the unfoldment of conscious awareness.

The entire process is directed towards that consummation...
