

**Wednesday, January 31**

**'THE MOST IMPORTANT PART OF TRUMP'S STATE OF THE UNION IS WHAT HE DIDN'T SAY'** Here's how the president [presented immigration](#)

as a violent threat. While Trump talked about a large number of natural disasters -- even acknowledging

[Puerto Rico hurricane victims](#)

--

[he did not mention climate change](#)

. Sen. Bernie Sanders was the only politician to mention that in [his recorded response](#)

. Critics pointed out Trump only spent 49 seconds on the opioid crisis, which

[is killing 64,000 Americans](#)

a year. And Rep. Joseph Kennedy III (D-Mass.) denounced Trump for "turning American life into a zero-sum game" in the

[official Democratic response](#)

. [

**WHAT A YEAR THIS MONTH HAS BEEN** All of these things -- including a government shutdown, the "very stable genius" tweet, the release of

*Fire*

*and Fury*

-- happened this month. No seriously, they really did. [
